

WARRENTONIAN

1963

Safe,
Best of luck to a
very sweet girl. Not
too many people with
you, I hope. May that
this year. May that
be yours through
coming year.

It really has been
wonderful getting to
know you this year.

I'm sure your sweet smile and good looks will pull you through all difficult situations you ever encounter.

Stay warm and wonderful.

A friend always,
D. C. D.

WARRENTON

1963

MEMORIES ARE MADE OF

YES, MEMORIES ARE MADE OF THIS ... There are some things that we all remember, and then some things that are very special to us alone. For instance, who could ever forget those long lunch lines, or that faithful old table in the hall, or maybe that ball game that we wanted so much to win. Then, too, there have been our moments of quiet studying and concentration, and that final day when those long-awaited diplomas are handed out.

We hope that in our WARRENTONIAN, we have bound something special and memorable to each one of you ... something that you can cherish always.

THE ANNUAL STAFF

THIS

DEDICATION

As the average student is not the "A" student, so is the average teacher not always the "A" teacher.

Teachers gain the distinction of being exceptional teachers by qualifications of fairness, friendliness, deep concern for their students, and devotion to their profession beyond its actual demands. They have a way of making us realize the real importance of learning; and are truly "professional minded" and "student minded."

One teacher whom the Annual Staff believes to possess these qualities to the highest degree is a person we consider an "A+" teacher and an "A+" human being.

With gratitude and affection we, the Senior Class of 1963, dedicate the WARRENTONIAN to Mr. Jimmie Webb.

These are the teachers to whom we owe a debt which is the greatest ever owed to anyone. They have inspired us; they have driven us; and they have helped us shape our future lives. Above all is their unselfish devotion to students and to the problems of the students.

MOON

RIVER

The night of May 11 marked the climax of days and nights of endless planning and work for the class of '63. The trying class meetings and money-making projects, the long afternoons and nights of work, and the last-minute rush for forgotten materials turned the class into a hard-working group.

All problems, criticisms, and tears were brushed aside in the last minute frenzy of preparation on the night before the prom, as every member of the class joined in and did his share.

Cameras flashed and skirts rustled as the night whirled on, ending in a rainbow of laughter and confetti. For the class of '63 Moon River will long remain a wonderful memory "wider than a mile."

The J. G. Yellow Jackets had another successful season under the leadership of Coach Charles "Preacher" Parker and Coach Jimmie Webb. Teamwork combined second straight conference championship winning four games while losing one, giving the Jackets an overall record of eight wins and two losses.

In regular season play the Jackets tied for the title and were chosen to represent the conference in the district playoff against Wakelon. John Graham advanced to the regional state championship game against James Kenan and was in the game until the final quarter when the Tigers scored three touchdowns and handed Warrenton its second straight loss in championship play.

Warrenton placed five players on the All-Conference team: First Team, Steve Clark, Fullback; Billy Rogers, Center; Rickie Etheridge, Guard; Second Team: John Coleman, Halfback; Roddy Drake, End. Three Yellow Jackets received state recognition by being selected to the All-East Team: First Team, Steve Clark; Second Team, Billy Rogers; Third Team, Roddy Drake.

The Yellow Jackets made the change from football to basketball in fine fashion. Coach Parker was faced with building another championship team with only one returning starter, Billy Benson, from last year's team. This year's Yellow Jackets had good speed and height, and the desire to win. The Jackets had an excellent defensive team as well as a well balanced scoring team.

Once again our Yellow Jackets gained the support of their community and school with their exciting brand of basketball.

Coach Janice Allen with Co-Captains Sarah Anne Fuller and Sandra Jones.

Basketball season gave the Lady Jackets a chance to demonstrate their athletic ability. Although Coach Janice Allen had four starters returning, she and the squad had to adjust to the new rule of a "roving" player. This added excitement for the crowd and a challenge to each player because they had to be able to play the forward and the guard position.

Under the direction of Coach Allen the Lady Jackets played a possession type basketball game, keeping the scores low and ended the season with a fine record.

The Yellow Jackets baseball team will be out to defend the conference title this season. Returning from last year's championship team for Coach "Preacher" Parker are Steve Clark, shortstop; A. C. Collier, outfield; Larry Hayes, pitcher; and Billy Benson, second base and pitcher. Coach Parker and Coach Webb will have a number of new faces in their starting nine with only four lettermen returning. Thus, this should present a real task for our coaches.

THE WARRENTONIAN STAFF

ODE TO OUR YEARBOOK

The staff comes together,
The planning begins -
The layouts, the dummies
The artworks turned in.

The galleys, the proof-marks,
The copy and mugs,
The last-minute changes ...
The office hubbubs.

The page proofs, corrections,
The changing of minds ...
The headlines and deadlines ...
The errors one finds.

But as last it's all over
The shouts of delight!
The students are happy.
- The staff is a fright!

"It's not a living, but
it has to be done."

Layouts, copies, and forms don't faze
this cheerful staff.

Gayle,
 It's been great
 knowing you the
 past 34 years. We
 have really had some
 wonderful parties. I'm
 class, I wouldn't be far, if
 we had anyone except Mr.
 Parker would it? Mr. Webb's
 nice too even if he does fail
 us. ~~Remember~~ Remember - do right
 of the F. H. A. party at afton? It isn't
 every girl that will do a fool thing
 like getting a friend out of the bath tub
 just to talk.

Love ya.
